Junior Class History

We have finally achieved our high school ambition—we are upper-classmen. No more jeering and being called prep. We can now walk through the halls with confidence. We are no longer alert for mean old seniors who may jump out of dark corners at us.

We are not glad that we have but one year to go, but we are rather regretful that the three years we have experienced have gone so swiftly. But those three years have not been uneventful, the 1948 Junior Class has been active since its freshman days. We hope to make this, our Junior year, the best yet, full of that old Jeff spirit that will never die.

Sophomore Class History

Yes, there was one year that we lived in horror. It was the horror that comes from being graduated from grade school into a new world—high school.

But look at us now. We know our teachers and classmates; we know what is expected of us as students of Jeff. We also know what we expect of the building. We don't expect the rooms to move about as they once seemed to do. We know the customs of our school. We don't have to have them explained to us as was the case quite often last year. The halls are not great caves where no joy ever comes; they are our halls in the school building. It all adds up to this, we are sophomores.

Freshman Class History

In the fall of 1947, 292 nervous freshmen entering the large halls of Jefferson High School inherited the old school name "prep".

Numerous freshmen were engaged in many activities with the old school spirit at the helm.

Many of the freshmen contributed their various talents to another successful Red and Black Revue.

After my first hour at Jeff, that eventful morning when classes began, my knees finally stopped shaking. "Why Jeff isn't so bad," I said to myself.

I found teachers very helpful. They were always ready to hand out seventh hour passes if we had any trouble remembering to come to class.

I wished someone would remind those seniors that they were preps too, and not so long ago. They seemed to delight in making us Preps wish we were back in grade school again and under our teacher's wing.

However, Jeff seems to grow on you. I think it is a swell school and one I'm proud to attend.

Celebrations

Jeff's 1948 State Champions were honored by many banquets, dinners, dances, and parties. On returning from Indianapolis after winning the State Championship an estimated 15,000 fans and backers greeted the team and coaches on Sunday afternoon. One of the outstanding banquets was the Civic Dinner sponsored by the Lafayette Chamber of Commerce which was held at the Purdue Memorial Union Building. Another banquet, which was sponsored by the Exchange Club, was held at Lincoln Lodge and honored the Bronchos and the Red Devils. Two dances were held in the Jeff gym in the Bronchos' honor, and large numbers turned out to honor the team. Yes, Jeff is proud of her 1948 State Champions and all the fans did their best to show the team how much they were behind the team.

Basketball

Whoopie! For the Jefferson Bronchos' basketball team. After waiting thirty-two years, Coach Marion Crawley brought a championship team out of the finest crop of basketball players that have been at Indianapolis in a long time.

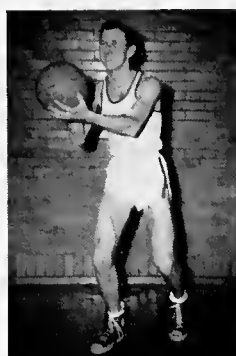

We are all proud of such fine players as Ernie Hall, Bob Masters, Charley Vaughan, Bill Kiser, and Dick Robinson. Of course, we mustn't forget the grand second five that the Broncho team had, consisting of J. Lucas, Joe Mottram, Dan Casey, Earl Heninger and Ned Snyder.

The feeling of being State Champs is a grand feeling for the team and an equally grand feeling for the rest of the students. With such a swell coach as the boys have, it will not be a surprise to see the Bronchos over at Indianapolis next year.

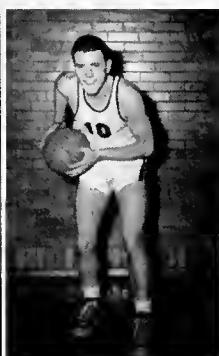

Sports writers all over the state picked Jeff as being the best balanced squad that was in the whole tournament. This is not a shock to the students here at Jeff, who sat on the sidelines and cheered the Bronchos to the state capital.

As the team goes into the 1948-49 season people all over Lafayette will be cheering the Jeff squad to the state as the defending '48 State Champs.

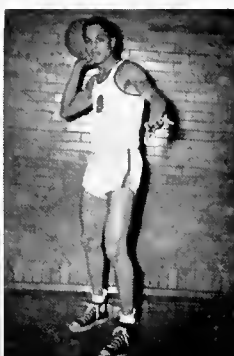

"JEFF WILL BE FINE IN '49."

Football—Fall of 1947

Jefferson had another undefeated football season with eight wins and a tie. They won the N.C.C. for the second straight year. This year Jefferson had only four returning varsity men. These were Earl Heninger (fullback), Jim Stump (halfback), Pat Manis (center), and Glen Mitchell (tackle). The starters for this year were John Duffy and Jack Cripe (ends), Glen Mitchell and Icky Scott (tackles), Pete Bush and Dick Purdy (guards), and Pat Manis at center. In the backfield were Kenneth Hoover, Jim Stump, Dick Bennett and Earl Heninger.

They were given ample support from senior subs Bob Crowe, John Mullen and Jack Cripe. The underclass subs who enabled the Bronchos to capture the North Central Conference championship were Ned Snyder, Joe Mottram, Bill Parker, Jim Goris, Jim Morehouse, Gordon Buck, and George Dunn.

Row 1: R. Frenfrock, F. Watson, J. Watson, C. Sutton.

Row 2: D. Switzer, E. Buckles, J. Feaster, T. Heide.

Cross-Country

The Jefferson Cross Country team, coached by Orval Martin, was composed of practically all new members. The squad will remain in tact for the 1948 season, outside of Jack Feaster, who is a graduating senior.

Charley Sutton, tall junior, was the only returning veteran this year and Charley should be among the best in the coming season.

The squad didn't win any outstanding awards, but in the coming year, the hopes of the squad will be high.

Congratulations, Thinlies, on your fine work!

Absent when the picture was taken were W. York, K. Stone, D. Robinson, B. Masters.

Baseball

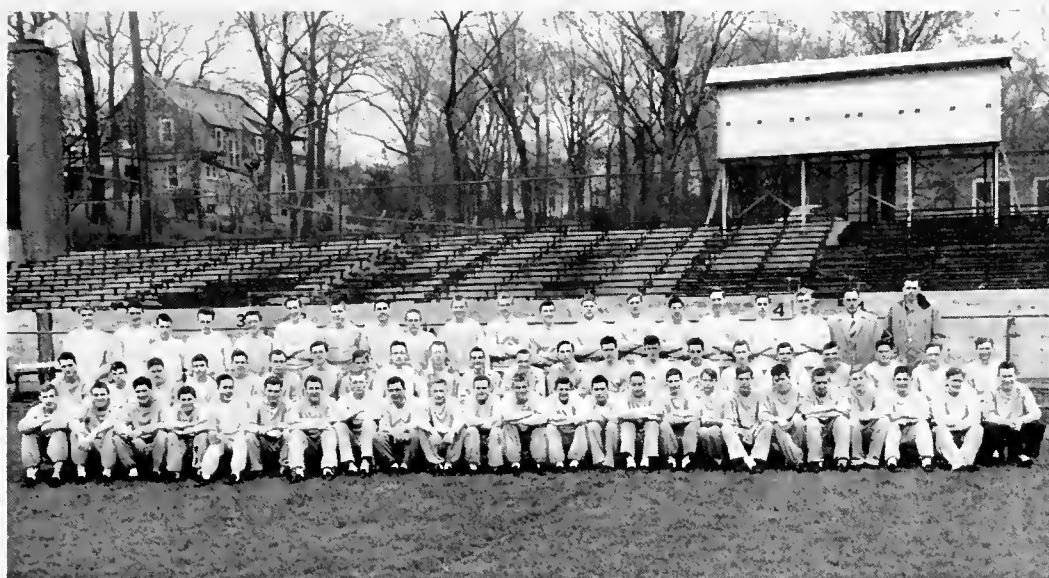

The Jefferson baseball squad is laden with returning lettermen and with favorable support by several new members, Jeff may also be crowned conference champs in baseball.

Bob White, Bob Wood, Bob Lowery and Chuck McConnell will be on the mound. The infield is steadily growing stronger with Dick Robinson on first; Bob White and Jim Roberts will alternate the keystone position; Joe Mottram or Bob Ave on third. The short-stop position will be manned by Bill Courter or Dave Bates. Wesley Balter, Ned Snyder, Bill Kiser, Keith Stone and Jim Riehle will command the outfield.

Coach James Lyboulton will have the team in good working condition by the time the season is in full swing.

Wrestling is a coming sport here at Jefferson and in several years Coach Willey hopes to capture the state meet. With backing from the student body here at Jefferson, the sport may become a top activity.

The orchestra has played for the Red and Black Revue, the Christmas concert, the state band and orchestra contest, and commencement exercises in the county.

The orchestra won first division rating in the district contest at Noblesville, Indiana, in April of this year, and second division at the state contest at Greencastle as a Class B organization.

Band

The Jefferson High School Band has come a long way in its 22 years of existence. In 1926 it was composed mostly of grade school children. Now we cannot help swelling with pride as we see our band on parade. Marching down the field in their snappy uniforms, they display many excellent formations.

The band has won many trophies in its time, and in 1926 played before Mr. Sousa, the world's greatest band leader.

The band is again in the charge of B. A. McAdams, a very capable director.

The band participated in the State Solo and Ensemble Contest at Terre Haute, and a district band contest in Noblesville. Below you'll find the first division winners of the state solo and ensemble contest.

The Jeff Booster is a bi-weekly publication of Jefferson High School students of the journalism and printing departments.

In 1913 Jefferson had a press club. This club published the "Jefferson High School Weekly". This was abandoned and the "Monitor", an outside publication, was adopted. Then, in 1922, the first edition of the "Jeff Booster" was published. In 1923, the "Inquiring Reporter" came into existence.

In the 25 years that the Booster has been published, it has grown to a paper which ranks with the best in the state. The Booster publishes 18 issues a year. Mr. G. E. Carroll acts as journalistic advisor, and Mr. Elbert Morgan is the printing advisor. Mr. Bradley is financial advisor.

Jane Hooker was editor-in-chief for first semester and Ed Cavanaugh held this position the second semester.

Debate

Jefferson started inter-school debate for the first time since the war. The members of the team this year were: Douglas Branigin, Leland Lahr, Sally Crandall, and Carolyn Marshall. The team was a member of the Indiana State Debate League and in the state tournament sponsored by this organization Jefferson advanced to the semi-finals. In this tournament Wiley (Terre Haute) defeated Jefferson, 89-87—an excellent and closely contested debate.

Oratory

Charlotte Troxel and Leland Lahr were the Jefferson representatives in Oratory. In the Central Indiana Oratorical contest held at Crawfordsville and again in the Rotary Contest, Jefferson was successfully represented. Leland Lahr placed second and third in these very closely contested events. We are looking forward to an even more successful forensic season next year.

A Cappella Choir

The A Cappella choir, in it's short time of existence, has had overwhelming success. It is constantly being asked to perform for various clubs, functions, and different civic groups. They have been asked to sing for the state teachers' convention in Indianapolis next fall. They have presented convos for the student body.

The choir is a very selective group and it is difficult to become a member. Once a semester Camilla White, the sponsor, holds try-outs to fill the places of the graduating seniors. Names are taken from the waiting list. Each member is assigned a robe for which he is responsible.

Yes, it's tough to get in, but when you are in you feel that you have attained an honor never to be forgotten.

Mixed Chorus

Of the various musical organizations in the school the Mixed Chorus is one of the largest and oldest. Its membership for each semester is between fifty and sixty students. The chorus was first organized twenty years ago and has contributed entertainment for various school functions. Miss Camilla White has been the director and the organizer of the Chorus. A student is selected to accompany the Chorus each semester. The students themselves select the officers. The officers for '47 were: Noel Schilling, president; Julia McMurray, secretary-treasurer; Ruth Ann Rogers, librarian, and Bob Semmes was accompanist. For the semester of '48: Ray Baumgardt, president; Dolores Radcliffe, secretary-treasurer; Lois Phillips, librarian, and Carol Dexter was the publicity director.

FRIENDSHIP TRAIN

Students of Jefferson High School, mindful of the food shortage in the countries overseas, donated food and money to be taken on the Friendship Train on its tour through the United States to collect food for the unfortunate people of the world. Clubs and rooms donated money and together bought quantities of food, and individuals gave individual donations.

Marilyn White, the girl to the left, is the originator of the idea, and Miss Radcliffe was the sponsor of the group. The project was conducted by the first hour Health Education class.

Jerilea Steffen, the girl to the right, is the artist responsible for the poster seen in the background.

RADIO PROGRAM

A radio program in which a general business discussion was carried on was broadcast for a semester from Mr. Minier's Junior Business Class from 9:00 to 9:15. The program was carried on as a general class discussion and regular classroom technique was used. Howard Smith acted as engineer for the program.

Patsy Smith and Jo Kurtz played the part of the sweet young sister, "Miriam". Bill Michael and Walter English had the riotous role of "Albert". Ruth's handsome pursuer, "Bill", was well portrayed by Pat Manis. Marilyn House and Ivaloo Sailer took the part of "Martha", Bill's sister. Senior Dance Committee

The Senior Prom committees are chosen each year by the class officers. The Prom was headed by Shirley Coling and Jim Stump, who, with the whole group, worked hard to make the dance a success. The dance was held in the Jefferson gym on Friday, May 28, from 9 to 12. The gym was gaily decorated with crepe paper streamers and flowers. Shortly after the intermission the Grand March took place, led by the co-chairmen Shirley Coling and James Stump, and their dates.

The rest of the committees are as follows:

Music—Dick Bennett, chairman; Noel Schilling, Beverly Foster.

Programs—Beverly Suffridge, chairman; Jim Miller, Dick Robinson, Elaine Kull, Dorothy Howe.

Concessions—Dorothy McCoy, chairman; Phyllis Hornbeck, James Kamp, Jack Bongen.

Decorations—Ray Kestner, chairman; Bob White, Pete Bush, Dave Bates, Maxine Huegel, Jean Merkel, Janet Martin.

Publicity—Ken Hoover, chairman; Jane Hooker, Keith Stone.

Invitations—Roselynn Burkhart, chairman; Wallace Albright, Carol Loeb, Joyce Arnold.

Convocations

Many convocations were presented to the Jeff students this year. The following is a summary of them:

Religious convocations sponsored by the Jeff Hi-Y were presented at Thanksgiving, Christmas, Brotherhood Week, and Easter.

Two student convos, the first under the direction of Mr. Charles Martin and Mrs. Edythe Van Camp and the second under the direction of Mrs. Schlotzhauer and Mr. McAdams, were well received by the student body.

The music department also provided convocations. Under the direction of Miss Camilla White, the A Cappella Choir, Mixed Chorus and Glee Club gave three musical programs.

The 12A Dramatic Class taught by George Smith gave a convocation of one act plays on Friday, May 14th, in the auditorium.

To show the skill and team play the Jefferson Bronchos exhibited in winning the state championship, convos showing movies of the regionals, semi-finals, and finals were sponsored by the Athletic Department.

Two professional convos were also presented during the year.

The final convos were the Honor Day Convo and the Senior Convo.

Red and Black Revue

The 1947 Red and Black Revue was presented by the students and faculty of Jefferson on Thursday, November 6th, in the Jeff Gym. It was an all-school show given in the tradition started by Morris E. McCarty in 1936, which grew from his idea that students should have an opportunity for self-expression.

Every department made its contribution to the Revue. The students from our shops and the art department assisted with the scenery and lighting effects, students from the clothing classes helped with the costumes, and the printing department printed the programs and other publicity. Mr. B. A. McAdams and the orchestra furnished appropriate music for the acts.

Departments presented an act which was under the direction of the teachers of the department. The acts were varied and showed real ingenuity and imagination.

The managers of the Red and Black Revue were H. J. Wills, general chairman; Lelah Clark, stage director; Camilla White, music and specialties; George Kenzler, technical advisor, and Elbert F. Morgan, publications.

Row 1, left to right: Dolly Snyder, Marilyn House, Booster Queen, Damaris Bishop, Eleanor Schnaible.

Booster Dance

The students at the annual Booster Dance, held November 14, were entertained by the music of Fritz Kriesler and his band. The Jefferson gym was decorated with clusters of gay red balloons, and colorful streamers. The band stand was adorned with beautiful fall leaves.

Marilyn House was crowned Queen while Damaris Bishop, Dolly Snyder and Eleanor Schnaible served as attendants.

The committee consisted of: Ed Cavanaugh, chairman; Joyce Arnold, decorations; John Balser, programs; Betty Ritenour, music; Rita Cassini, tickets; and Kenneth Scott, publicity.

Left to right: R. Reed, P. Bush, J. Stump, J. Cripe.

Bronchoette Gallop

Jim Stump and Pete Bush reigned as kings at the annual Bronchoette Gallop in the gymnasium on Saturday, October 18. One of the largest crowds to attend the Gallop in recent years attended this year's dance. Andy Imperial's orchestra furnished the music. Many novelty corsages were worn by the boys which were the gifts of the girls.

Decorations followed a western style theme, with streamers of green and brown. The main attraction of the decorations was an almost real horse in front of the band stand. The programs followed the green and brown color scheme also. They were green with brown print and cords.

Refreshments were served in the cafeteria during the intermission which were cokes and pretzels.

The Riley Hospital in Indianapolis received the proceeds from the dance.

Queen of Hearts

Before a crowd of one hundred forty couples, Joyce Arnold was crowned "Queen" of Hearts, Saturday night, February 14, at the annual Queen of Hearts dance, sponsored by the Jeff Hi-Y in the Jefferson High School gym. Joyce was presented with a heart shaped locket and an arm bouquet of red roses.

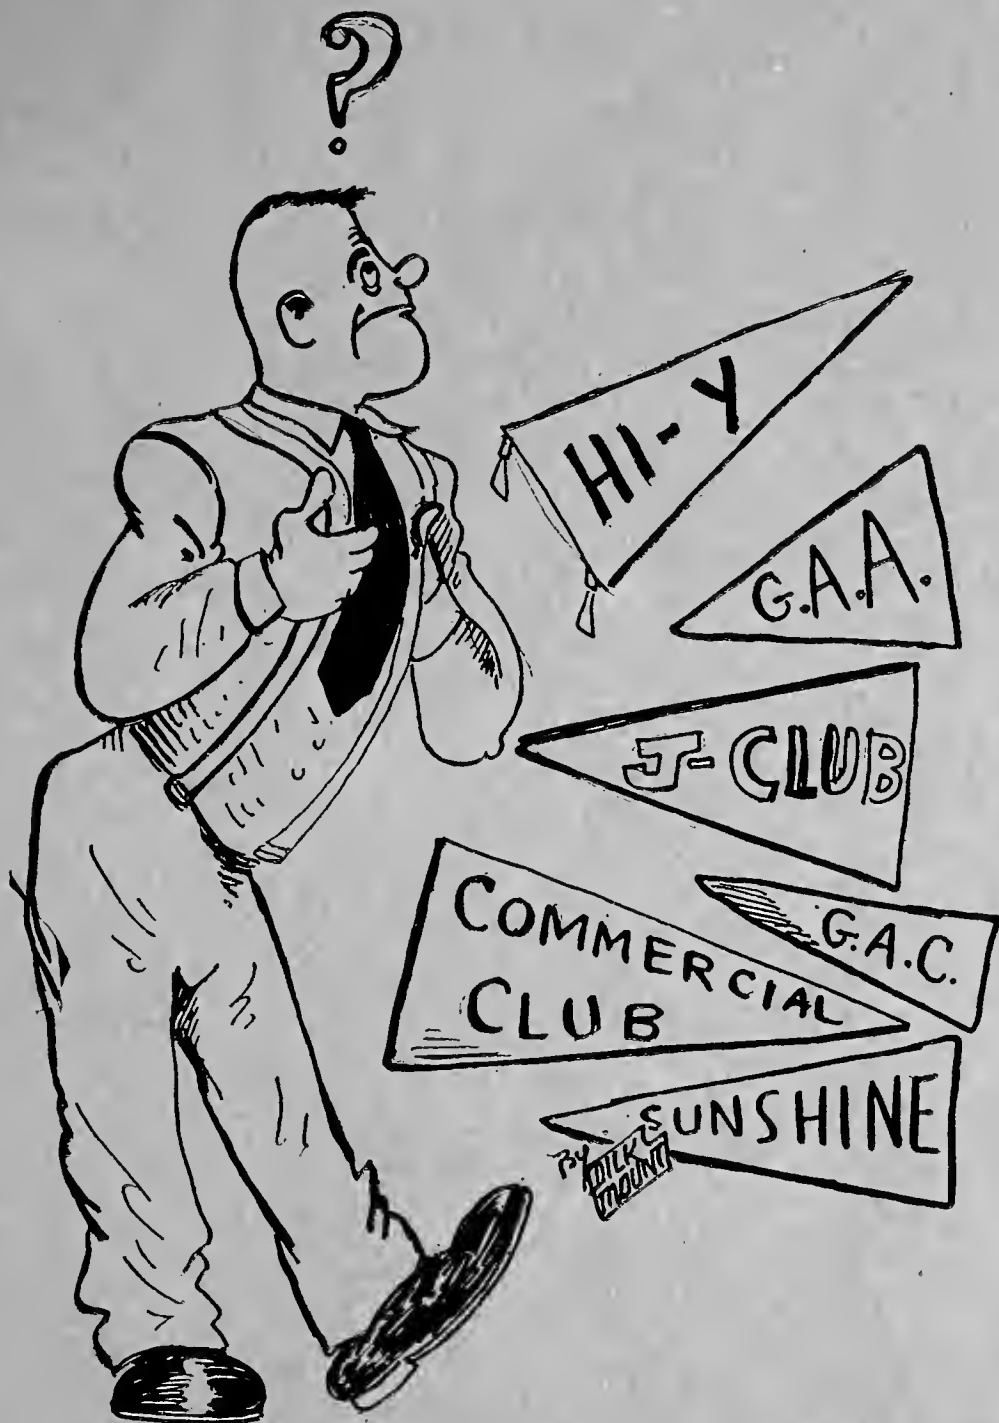

Shirley Coling, Patti Covington, "Tudy" Golden, Betty Ritenour, M. Larson, and Shirley Lee were the attendants, and they also were presented with flowers. The gym was decorated with a large canopy of crepe paper streamers. Andy Imperial furnished the music from 8:30 until 11:30.

Yell Leaders

Dona Clark, hard working Jeff yell leader, headed the cheer squad this year. Dona was ably assisted by Dorothy Kaiser, Phyllis Barcus, Laverne (Tudy) Golden, Shirley Coling, and Gleyre Switzer. This group of cheer leaders worked hard to get backing for the team and were well awarded as being yell leaders when the Broncho's captured the state crown. Congratulations not only to the yell leaders, but also to the students who backed the Bronchos all the way to Indianapolis.

G. A. C.

What do the letters G.A.C. represent and how may I become a member of this organization? These are two questions that are most frequently asked by the freshman girls at Jeff. First, G.A.C. stands for the Girls' Advisory Council and has been in existence here at Jeff under the sponsorship of the Dean of Girls since November of 1921. The purpose of the club is to give service to the school and community. The club provides office and Sunshine Room scouts. This year it has sponsored a check-room for use during basketball games and assisted with the March of Dimes collection in the parochial and city schools. Miss Slayback is the sponsor and the officers are: Pat Neher, president; Patty Roberts, vice-president; Joyce Arnold, secretary; Jean Barnhart, treasurer.

The program and social activities are determined by the officers and committees each year. Any Jeff girl having sixteen or more credits, who has been recommended by the teachers and the Dean of Girls, who has no more than one unsatisfactory grade on her report card and no office record against her, is eligible for membership.

Leader's Club

The Jefferson Leader's Club was organized in October, 1947, with Miss Slayback as the sponsor. The purpose of the Jefferson Leader's Club is to strive for more active student participation in club activities; to promote democratic practices in the activities of Jefferson's organizations; to set a high standard of citizenship; to encourage Jefferson students to be good citizens in school and in the community.

Several of the club's meetings have consisted in drawing up and adopting a constitution. The Jefferson Leader's Club has re-opened Club 113. The members have made surveys in different areas of school activities to see what improvements and suggestions can be made to encourage Jefferson students to make our high school one of the best. Any boy or girl who is an officer of an extra class organization of Jefferson High School is a member of the Club.

The officers for the year were: John Bush, president; Jim Riehle, vice-president; Jean Barnhart, secretary; Frances Flack, treasurer.

Jeff Hi-Y

The Jeff Hi-Y was composed of 92 members this year. The officers were as follows: Glen Mitchell, president; Bill Kiser, vice-president; Jack Cripe, secretary; Dick Bennett, treasurer. The club is sponsored by George E. Carroll and Gerald Hitchings.

A Christmas Party was held for the members and their dates, and on February 14, the annual Queen of Hearts Dance was held. The Jeff Hi-Y also sponsors religious convocations and mixers, has charge of concessions at football games, and contributes to the Community Fund, Infantile Paralysis, Red Cross, and the World Service organization of the Y.M.C.A. The annual Mothers' and Sons' Banquet was held on May 6.

This organization has promoted the appearance of the school by decorating the entrances on holidays and by contributing to a fund for the improvement of the lawns.

The Sunshine Society, organized in 1916, is the oldest girls' organization in Jefferson High School. The society is under the direction of Miss Slayback and membership is open to any high school girl.

1948 was one of the most important of all the society's history. The state convention was held here and over 2,000 girls from all over the state attended. Patsy Smith was president for the entire year and she was ably assisted by Beverly Suffridge as treasurer, Frances Flack as secretary, and Maxine Huegel as vice-president.

G. A. A.

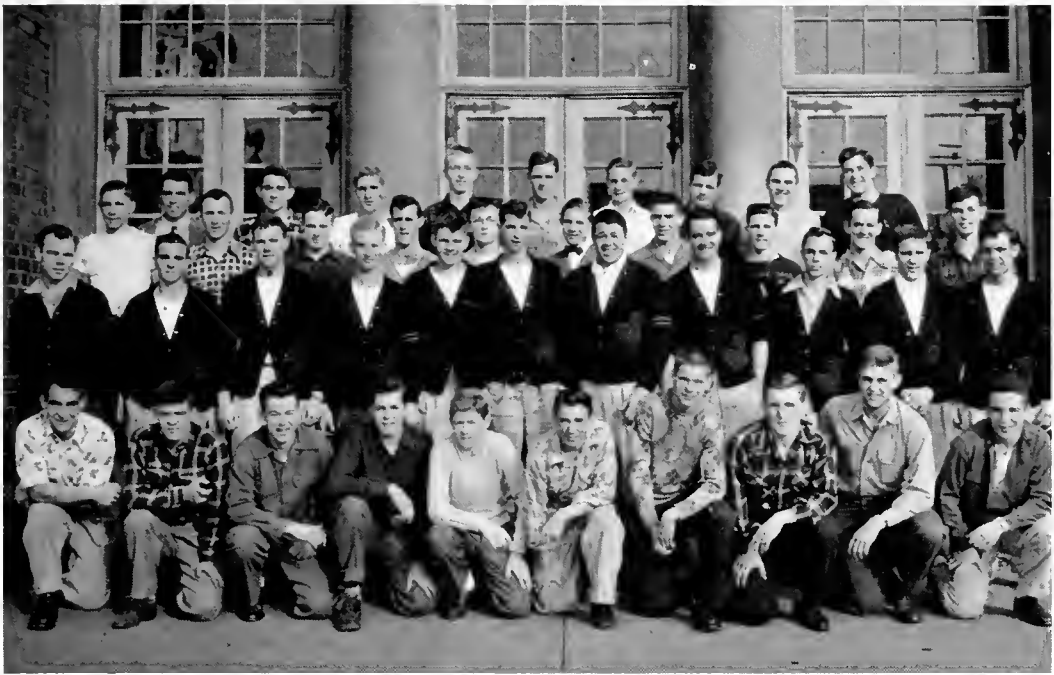

The purpose of the Girls' Athletic Association is to improve the interest in athletic activities, to develop and improve skills in the various activities through participation, to set high standards of sportsmanship and to enjoy associations and friendships through play. The G.A.A. at Jefferson High School was first organized in 1941. The local organization became a member of the State G.A.A. in 1947, and is a member this year.

There are seventy members in G.A.A. at Jefferson. Any girl who participates in a G.A.A. activity may become a member. Officers are: Marilyn White, president, first semester; Joanne Carney, president, second semester. Jean Klinker, secretary-treasurer, both semesters. Miss Mary Mather is sponsor of the organization.

Awards are made to girls who have the required number of points: class numerals for 150 points, a "J" letter for 250 points, and if a girl receives 350 points, she earns a state award. Points are accumulated for activities throughout the four years of high school.

Among the organized activities offered by the G.A.A. this year are: basketball, badminton, bowling, tumbling, archery, and softball. Each sport activity is in charge of sports heads who are elected by members. Business meetings are held once a month. Officers are elected in September. At an Honor Dinner in the spring, which climaxes the year's activities, Athletic Awards are made.

First semester president, Joan Carter; vice-president, Marilyn White; secretary-treasurer, Jean Klinker. Second semester president, Phyllis Barcus; vice-president, Mary Lester; secretary-treasurer, Jean Klinker.

F. H. A.

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high schools of the United States and Territories. It offers opportunity for further development of pupil initiative in planning and carrying out activities related to homemaking.

The emblem of the club shows a house supported by two hands which symbolizes that the future houses of America are in the hands of its youth.

The motto of the club is "Toward New Horizons".

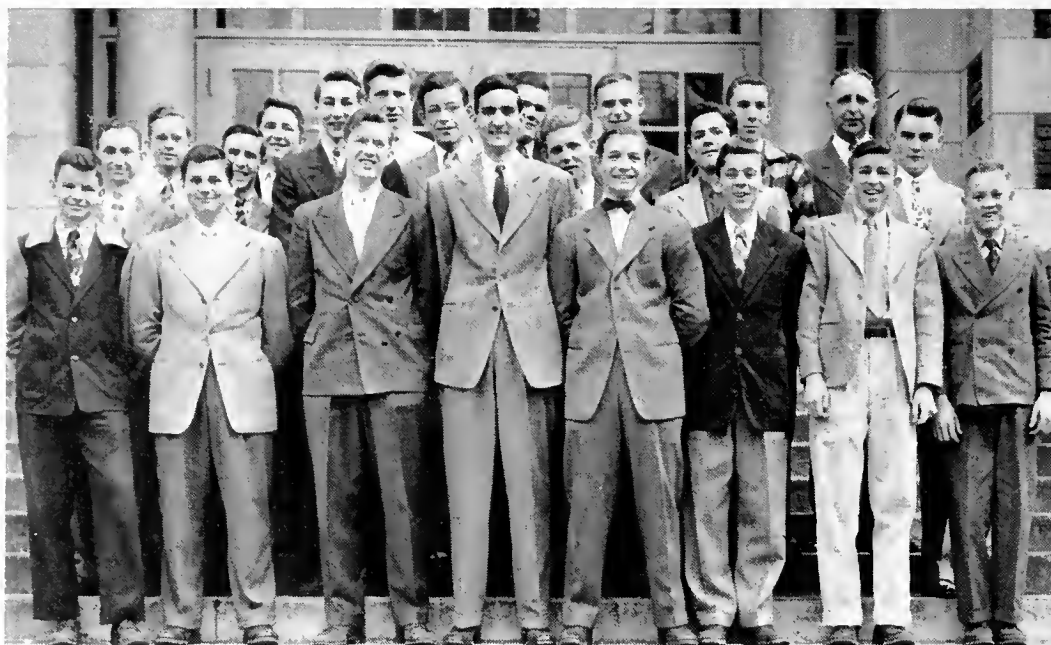

The colors are red and white and the flower is a red rose.

There are four degrees of achievement toward which the members may work. As these degrees are won, a new symbol may be added to the chain supporting the pin guard.

Purposes of the Club

1. To promote a growing appreciation of the joys and satisfactions of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good homes and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in home economics.

Master Machinists

The object of the Master Machinists' Club is to create an interest in machine shop work and the related metal trades.

The club makes field trips and also has interesting speakers direct from local industries. In this way the shop work and club activities are very closely related, proving very valuable to both.

Two dinner programs are held each year and have proven equal to the slogan of the club—"This Is Our Best Year."

Officers for this year were president, Joe Galema; vice-president, Jimmy White; secretary, Paul Velten, treasurer, Ray Kestner.

The purpose of the "Societas Latina" is to promote an interest in Roman customs and give the students a better understanding of Roman culture aside from the school work, as well as to promote friendship and sociability among the students of the whole department.

Their programs are planned to bring out Roman background in an interesting way. The membership signifies a great interest in the club.

The club sponsored scholarly activities such as *Spelling*, *Typing*, *Shorthand*, and *Bookkeeping* contests; creative activities such as the *First Annual Hatmaking Contest*; business world activities such as the play, "Behind the Scenes In An Employment Agency," given at a convocation, and the mock trial, "The City and County of Efficient Stenographers Versus The Inefficient One," which took place at the Circuit Court of Lafayette; fun activities such as the first club party and dance, the skating party, and a picnic.

Mr. Parker: "I'm a self-made man."

Mr. Bonham: "You're lucky, I'm the revised work of a wife and two daughters."

Ed Jackson, who ran for sheriff in Tippecanoe county some years ago was defeated ignominiously. Out of a total of 4,964 votes cast, he got 53. The day after the election he was seen walking down Main Street with two huge six-shooters hanging from his belt.

"Look here, Jackson," protested Krabbe, "you weren't elected. You ain't got no right to carry guns."

"Listen, Al," said Ed, "a man who ain't got any more friends than I got needs to carry guns."

Kenneth Gable exclaimed, "My girl is a chemist, when I date her she changes my silver into copper."

Jasper Keiser: "Is my face dirty, or is it just my imagination?"

Sharon Degler: "Your face is clean, but I don't know about your imagination."

Stumped by an examination question Bill Courter simply took a wild stab and then wrote beside his answer, "This may be wrong, but a guess is better than nothing."

When the paper came back, Mr. Kenzler had added, "not better, but just as good."
